

GOD'S ROAD SIGNS

PLAY

When driving to school, back home or to church, ask your kids to point out a few road signs that they may know.

TALK

Each road sign already has a meaning but the meanings don't end there. You can use them in your walk with Christ as well. How? Here are a few examples

Stop signs help you to remember to stop...and listen to what God has to say in every situation.

To yield is to let someone else go first. The yield sign will always help us remember to yield to God. Let Him be first.

When something is under construction, it means that somebody is at work building something that could be amazing. Just like when we accept Jesus in our hearts, He is at work in our hearts.

This means that there is a dangerous curve ahead so we need to prepare to drive safely. When you face troubles, you have to go to God so He can safely walk with you along the way. That way you won't get hurt.
