

THINGS WE CAN'T SEE

SCRIPTURE:

“Faith means being sure of the things we hope for. And faith means knowing that something is real even if we do not see it” Hebrews 11:1

PLAY:

Before you get in the car to go somewhere, tell your kids to list familiar landmarks (grocery store, park, school) that you'll see as you drive. Then, as you're driving, ask them to point out each thing when they see it. Who sees each landmark first?

TALK:

It's easy to believe something is there when we see it. Some things we can't see, but they're just as real. Can we see the wind? Can we see our brain? No but we know it's there. Jesus talked about things we can't see now, such as heaven and God. That is exactly what faith is. It's being sure of something even if you can't see it. How can we help our faith grow?

PRAY:

Ask God for more faith even though you can't always see what He's promised.
