ACTION STEPS

1. What is your dream? _____.

Take an inventory of who you hang out with. Which relationships are positive? Negative?

Do your best to avoid those who pull you down, and stay away from dream stealers.

Proverbs 13:20 (ISV); "Whoever keeps company with the wise becomes wise, but the companion of fools suffers harm."

POSITIVE RELATIONSHIPS	NEGATIVE RELATIONSHIPS

2. Make a plan for each positive relationship. Write out some steps you can take (with target dates) to enhance the relationships; for each negative relationship, write out some steps you will take to distance yourself from the relationship.

3. Pray daily—ask God for the wisdom and strength to follow through with your plan. Journal what you believe He is telling you as you go through this process.
