

# PRAYER FOR IDENTITY

## SCRIPTURE:

“I praise you because you made me in an amazing and wonderful way. What you have done is wonderful. I know this very well”

Psalm 139:14 ICB

## PRAYER:

Jesus,

We thank you that we are your creation.

We know that we are made in your  
perfect image.

We pray against all the lies  
that try to confuse us on who we are  
and who we belong to.

Help us to see that we are children of God.

Forgive us for the times we compared ourselves to others, instead  
of not seeing the beauty and  
value of what you have given us.

Your word tells us that you do not make any mistakes. We know  
you made us the way you planned to.

Help us see things in love and grace,  
seeing ourselves the way you see us.

Not as the world sees us.

Thank you for making us

In Jesus name

Amen
